

5. ADMISSIONS, FEES AND FUNDING POLICY

WELCOME STATEMENT

We welcome and value all children and their families and carers, treating all children and adults equally, respecting cultural or religious beliefs and home/family circumstances. Our aim is to provide a safe and happy environment where all children and adults are treated with equal respect and where children are nurtured and can flourish. All children are encouraged to learn and develop as they play, taking into account their individual needs and stages of development.

ADMISSIONS

Children may start Cheam Baptist Church Pre-school from around the age of 2½. Our main intake is in September, but children may join us during the year, subject to availability of places. Places are offered in the following order of priority, providing applications have been received by the deadline:

1. Looked after or previously looked after children.*
2. Those who have an exceptional and professionally supported medical or social need for a place at Cheam Baptist Church Pre-school.**
3. Children of members of Cheam Baptist Church.
4. Those who have a brother or sister at the Pre-school at the time of starting.
5. The remaining places in age order with priority given to the older children, whilst ensuring a balance of Pre-school and Nursery children is maintained.

*Confirmation by a social worker from the relevant Local Authority will be required.

** Parents must supply supporting evidence from a specialist health professional, social worker or other care professional, setting out the particular reasons why this Pre-school is the most suitable and the difficulties that would be caused if the child had to attend another pre-school.
